

Class: 10:10–11:00 MWF, 101 Dawson-Spiers,
9:30–10:45 T, Boyd 302

Instructor: Dr. Ted Ashton
Office: Boyd 603c
'phone: 542-2588
email: ashted@uga.edu
Office Hours: 2:30–3:30 MWF

Needed for class:

- *University Calculus*, by Hass, Weir and Thomas (ISBN 0-321-35014-6)

Grades:

Grades come from

54%	Exams during the semester (3 at 18% each)
27%	Final (Comprehensive)
14%	Homework
5%	Quizzes and class participation

Grades will be available during the semester via the WebCT system found at <http://webct.uga.edu>. Simply log in with your MyID and select MATH2260 from the courses listed.

Exams: There will be three exams during the semester, each worth 18% of the grade and a comprehensive final worth 27%. Please do not assume that an exam can be made up if missed. If you have a conflict with exam scheduling, contact me prior to the exam to make arrangements.

Quizzes: Quizzes will be unannounced and cannot be made up.

Homework: Most of the homework assignments will be online. To get and/or submit your homework, point your browser to https://webwork.math.uga.edu/webwork2/Math2260_Ashton and log in using your UGA MyID and student id number (it will be something like 810-12-3456). You can submit answers to each question as many times as you wish and the computer will tell you if you have it right or not.

If you are more comfortable working on paper, you can print out a copy of your homework from there. Note, however, that each student's homework is slightly different from the others, so don't simply work off a friend's assignment sheet.

You are welcome to work with others on the homework, but the work turned in needs (of course) to be your own. You are also welcome to ask me questions (I am available during office hours and am also happy to answer questions by telephone or email or in person whenever I am in my office) and there are various options for further assistance listed at http://math.uga.edu/undergraduate/student_services.html.

Calculators: Calculators are permitted for homework but not for exams.

Academic Honesty: UGA has an academic honesty policy, and you are responsible for knowing what is in it and abiding by it. The policy may be found at <http://www.uga.edu/ovpi/honesty/ahpd.htm>

Tentative Schedule					
Date	Sections	HW	Date	Sections	HW
17 Aug	Review of Calc I		15 Oct	§8.1	
20 Aug	Review of Calc I		16 Oct	Review for Test 2	
21 Aug	Review of Calc I		17 Oct	Test 2	
22 Aug	Review of Calc I		19 Oct	§8.2	§8.1
