Academic Honesty

All students are responsible for maintaining the highest standards of honesty and integrity in every phase of their academic careers. The penalties for academic dishonesty are severe and ignorance is not an acceptable defense. Students should pay particular attention to sections 5 and 7 of the academic honesty statement at www.uga.edu/ovpi/academic_honesty/culture_honesty.htm.

Attendance Policy

Students are allowed no more than 5 absences including both excused and unexcused absences. On the sixth absence a student may be withdrawn from the course with a grade of W or WF (definitely WF after midpoint). Do not regard these 5 allowed absences as "personal free days". These are only to be used in cases of illnesses or family emergencies. In some cases, verification may be required.

Online Evaluations

During the last week of classes, log on at <http://eval.franklin.uga.edu> using your UGA MyID to fill out evaluations. This process has complete anonymity.
