

Math 1113: 8:00-8:50am (Monday, Wednesday, Friday)

8:00 – 9:15am (Tuesday, Thursday)

Fall 2007

Kathryn Braungart, Instructor

Text: *Precalculus* by David Cohen

Office: 602B Boyd Graduate Studies

Office Hours: 10:00-11:00pm. Monday, Wednesday.

¹11:00-12:00 noon, Tuesday, Thursday, or by appointment

Test Dates:

Test 1 – Wednesday, September 5

Test 2 – Tuesday, September 18

Test 3 – Friday, October 5

Test 4 – Monday, October 22

Test 5 – Friday, November 9

Test 6 – Friday, November 30

JEXAM:

Practice exams can be accessed at all campus computer lab sites. Click on the JEXAM icon and choose the top 'button' labeled 'Practice Tests. To download Jexam go to the Practice Test link on the Math 1113 Website.

NOTE: It will be important to pay close attention to instructions given in class regarding the testing system.

Attendance Policy: *Students are allowed no more than 5 absences including both excused and unexcused absences. On the sixth absence a student may be withdrawn from the course with a grade of W or WF (definitely WF after midpoint). Do not regard these 5 allowed absences as "personal free days." These are only to be used in cases of illnesses or family emergencies. In some cases, verification may be required.*

Midpoint Policy:

Friday, October 12th is the midpoint of Fall Semester. Prior to this date you may withdraw from the course with a `W`. Any student wishing to withdraw after this date will be assigned a `WF`, (this includes withdrawals due to lack of attendance!).

Grading Policy:

Tests 1-6: 60%.....In Class:10%.....Jexam: Homework Assignments: 5%.....Final Exam: 25%.

In-Class & Homework Components

Come prepared each day. There will be daily homework assignments and/or announced in-class quizzes which will compile your in class grade. There will also be a series of online homework assignments through Jexam. Due dates for these assignments are posted on the Math 1113 website link <http://www.math.uga.edu/1113/homework.htm#Online%20Homework> and will also be announced in class. The lowest 5 in-class grades will be dropped, (these include zeros due to missed work).The lowest 2 online homework grades will be dropped; (these include zeros due to missed work).

I will make a point of discussing assigned problems and homework problems at the beginning of class. If you find you are having trouble completing the assigned exercises ***make sure to come to office hours or get help from the regularly scheduled afternoon help sessions.*** Remember, the best way to keep up with this class is to be working on the material ***daily.***

******The Math Department runs a study hall several afternoons a week. This is an excellent place to study, as well as get help with homework problems! Stay tuned for days and locations.*

Miscellaneous:

You will need a calculator with exponential, logarithmic, and trigonometric keys.

Any student who has not taken any of the tests by the midpoint of the quarter will be withdrawn from the class.
