Note that you may also find the web page by going to math.uga.edu and then clicking on the course web pages, and finally on 1113.

Please see the web page for all assignments, current announcements, and things to do the first week and so on.

We will have several quizzes throughout the semester. No make-up quizzes will be given. On occasion we will have homework handed in to be graded. Note that homework plus quizzes are worth 10% of your grade.

We are in group 1. See the Web Page and syllabus to see the department syllabus and test dates. Also suggested homework assignments.

Grades:

Exams 1 through 6	10% each
Final Exam	25%
Homework (on the web)	5%
Quizzes and assignments	10%

You will need to sign up for each exam on line

The final exam may be taken any day during the finals week. Sign up on a first come first serve basis.

Class attendance is expected.

Of course, you should adhere to UGA's Academic Honesty Policy, as described on the web-site: <http://www.uga.edu/vpaa/polproc/ahpol/main.html>

You are expected to attend class. If you have 6 absences you will be dropped from the course!

Changes to this syllabus may become necessary as the term goes on.
