Office:436 (GSRC)
Office Hours: 12-1 (TTh)

Course Description

We will be studying arithmetic and its applications with a stress on the reasons why various procedures work.

Text

Mathematics for Elementary Teachers, 2nd ed. and the accompanying *Class Activities* manual by Sybilla Beckman.

Attendance

Attendance will be taken every class meeting.

Grading

There will be several exams counting in total 80% of the course grade and a paper counting 20%.
