will@math.uga.edu

The textbook for the course is *Introduction to Topology: Pure and Applied*, by Adams and Franzosa.

Homework: I will assign homework weekly. There will be some additional work for students enrolled in Math 6200.

Grading: There will be 2 midterm exams. They are scheduled for September 28 and November 9. The final exam is from 8–11:00 on December 12. It will be cumulative and worth two midterms. In addition the homework grade will count as one midterm.

Office hours: My office hours are on Wednesdays 10:00–10:50am and Thursdays 8:30–9:30am or by appointment. Also, a graduate student in the math department, Brian Cook, will have office hours Tuesdays and Thursdays 10:00–12:30 in Room 308 that you are welcome to go to.
