

Syllabus (see also the course website: www.math.uga.edu/1113/)

Math 1113 MWF 9:05

Fall 2004

Instructor: Roy Segars Office: 602B Boyd (GSRC)
Email: segars@uga.edu
Tel: 542-2583

Office Hours: MW 8-9, and by appointment

Testing Labs: Rooms 308 & 324, GSRC
9am-10pm; No admittance after 10pm

Makeup Tests will be given only at the discretion of the instructor. Documentation is required.

Refer to the course webpage for details concerning the content of the tests and other policies. YOU SHOULD CHECK THE CURRENT ANNOUNCEMENTS SECTION WEEKLY.

Quizzes: Short quizzes will be given frequently covering the assigned reading and tutorial material. No makeup quizzes will be given; however, about 20% of the quiz grades will be dropped at the end of the semester.

Final Exam: Cumulative, covering the entire course and all tutorials.

Grading: Test 1: 5%
Test 2-7: 10% each
Quizzes: 15% total
Final Exam: 20%

Classroom Etiquette: Students are expected to maintain a respectful and professional attitude.

Attendance: Students missing 5 or more classes may be withdrawn by the instructor with a grade of WF.

Academic Honesty: Students are expected to adhere to the University's Academic Honesty Policy which may be found at www.uga.edu/ovpi.
