

**Math 2200L**  
**Differential Calculus Lab**  
Spring 2007

**Instructor:**

Matt Mastin  
434H Boyd Graduate Studies  
[jmastin@uga.edu](mailto:jmastin@uga.edu)

**Office Hours:** TBA

**Text:** No text, lab templates can be found at  
<http://www.math.uga.edu/calclab/calclab2200>

**Attendance:** Attendance is not required, but it is strongly encouraged. Students will be responsible for all course work regardless of whether or not they are present on the date an assignment is given or due. Leniency will not be given to students who are regularly absent.

**Lab Rules:**

- 1.) Assigned labs are due at the **beginning** of the class period in which they are due. Hardcopies of all assignments must be turned in.  
All computers in the SLC have MAPLE 10 installed on them, but make sure you use the program **Maple Classic Worksheet** to avoid compatibility issues.
- 2.) No cell phones, food, or drink are allowed in the lab.
- 3.) Working in groups is allowed and encouraged, but work turned in must be your own. Please see the UGA policy on academic honesty at  
<http://www.uga.edu/ovpi/honesty/acadhon.htm>

**Grading:** Your grade in this class will be calculated from your completed labs as well as in class quizzes that will be given periodically throughout the term. The lowest of these quiz grades will be dropped. There will be no make up quizzes. The grade breakdown is as follows:

Labs: 90%  
Quizzes: 10%

**Note:** *This syllabus is subject to change.*
