Grading Guidelines

Tests 1-4 : 60%
Quizzes : 15%
Final Exam : 25%

Scale: 92-100 (A); 89-91 (A-); 87-88 (B+); 82-86 (B); 79-81 (B-); 77-78 (C+); 72-76 (C), 69-71 (C-); 60-68 (D); below 60 (F).

Attendance

Attendance: Daily attendance is strongly suggested. Any student with 3 or fewer absences in the class and 1 or less in the recitation sections will be allowed the option of having their final exam score replace their lowest test score. Any student absent for more than 5 days (class + recitation) may be withdrawn with a WF for non-attendance.

Any student desiring to withdraw from the course should first contact the instructor to discuss whether a grade of WP or WF applies. The student then initiates the withdrawal process via Oasis.

Calculator

You may use a TI-86 or below model calculator in class and on most exams. I will announce before each exam whether or not a calculator is allowed.

Miscellaneous

Make-up Policies As a general rule *I do not accept late homework, nor do I give make-up quizzes or exams*. Quizzes will be announced so there is no need for one to arbitrarily miss class on quiz days. If you have a legitimate emergency that prohibits you from being in class for an extended period of time, please contact the Office of Student Affairs. Student

WebCT Requirements Affairs can verify your situation and will provide your professors with this verification.

Recitation Sessions You are responsible for regularly checking the WebCT version of our class for calendar, mail and discussion updates. I will post the topics I cover during each class period and the corresponding homework assignments on the calendar. Be sure to click on the calendar date to enlarge the window to view all my entries. Please use the WebCT mail tool within our course to communicate with me, and I will use the same to communicate with the class. I will post any quiz keys, test keys, handouts, etc., in folders on home page. I do have a way of tracking student use of my WebCT course, so please make sure you follow my instructions and check the course for updates at least 3 times per week.

Each MWF class is issued either a Tuesday or a Thursday recitation session. Your recitation instructor will be responsible for covering a few predetermined examples as well as being available to answer questions from your homework assignments. An absence in recitation will count as an absence in the class. You are to stay the full time (50 minutes) recitation is to be held. These sessions are for your benefit. Please be respectful and turn off and put away your cell phones during recitation.

**Academic
Honesty**

All students are responsible for maintaining the highest standards of honesty and integrity in every phase of their academic careers. The penalties for academic dishonesty are severe and ignorance of UGA policy is NOT an acceptable defense. Students should pay particular attention to sections 5 and 7 of the academic honesty statement found at the link below.

Classroom Etiquette

Please TURN OFF and PUT AWAY your cell phone prior to the beginning of class. The distractions of these have become quite annoying, and I will no longer tolerate such in my classroom.
