Textbook: We will be using University Calculus by Hass, Weir and Thomas. We will be covering much of chapters 5, 6, 7, 8 and 10, and other topics as time and interest permit.

Grading: Homework will be assigned often and collected occasionally. There will be three tests and a cumulative final exam (see schedule below for dates). Your grade in this course will be based on the following proportions:

Homework	10%
Tests (3)	20% each
Final	30%
