HOMEWORK

Homework will consist of problems assigned from the textbook. Homework will NOT be collected, but quizzes and exams will be based on homework problems. You can obtain the homework problems at the following link;

http://www.math.uga.edu/undergraduate/Syllabi2009/MATH2250_deptsyllabi.pdf

You are encouraged to discuss homework problems with your classmates. Working in groups is a part of the learning process and helps you understand the material. Your goal is to find solutions and to communicate your ideas in a convincing manner.

GRADES

tentative - any changes will be announced in the class

The course grade is based on the total number of points from in-class hour exams, quizzes, and the final exam (see below).

Quizzes, 100 points total, The best 10 quiz scores will be counted. No make-up quiz.

Three in-class one Hour Exams, 100 points each, Every following Tuesday after finishing each chapter(Ch. 2, 3, and 4).

Final Exam, 250 points, Two (or three)-hour exam/ Exam room and Time: TBA.

IMPORTANT: Students are expected to be present for all exams. There will be no make-up exams for in-class hour exams. If you miss one of the three in-class hour exams for a legitimate reason, your grade will be determined by the remaining in-class exams, quizzes, and the final exam. Makeup exam for final will only be given in case of a verifiable emergency. In that case a student need to contact me to schedule the final exam before the scheduled final exam date.
