## Course Information

**Class Meets in Building 1013 (Poultry Sciences) room 136,**

following the University Academic Calendar at

[http://www.reg.uga.edu/or.nsf/html/Academic\\_Calendar\\_09-10](http://www.reg.uga.edu/or.nsf/html/Academic_Calendar_09-10)

**Text:** *University Calculus*, Hass–Weir–Thomas.

**Webpage:** <http://www.math.uga.edu/~njohnson/teaching.html>

The course webpage displays the basic course information and has links to this document, the course calendar, the course WeBWorK site, and the eLearning Commons site.

**eLearning Commons:** Course materials and grades will be posted on our eLC site, accessible at

<http://elc.uga.edu/> You can access eLC with your UGA MyID and password.

**WeBWorK:** Electronic homework assigned through WeBWorK can be accessed at

<https://webwork.math.uga.edu/webwork2/>

Registered students were sent login information at the e-mail addresses they provided to the university (usually @uga.edu addresses).

If you did not receive a welcome e-mail with login information, please see Niles as soon as possible.

**Calendar:** The course calendar is available at

<http://www.math.uga.edu/~njohnson/date-table.html>

The calendar includes exam dates together with a running description of the material to be covered in each class. Use this to plan ahead if you have to miss a class, or to prepare before class for the material we'll cover.

**Grades:** Final grades will be computed according to the following breakdown:

Participation 5%; Quizzes 5%; Homework 15%; Three midterms 15% each; Final exam - 30%.

**Academic Honesty:** "I will be academically honest in all of my academic work and will not tolerate academic dishonesty of others." This statement, from the UGA Student Honor Code, summarizes what is expected of UGA students. Students are required to understand and follow the academic honesty policy: <http://www.uga.edu/honesty/>. All issues of suspected dishonesty will be handled according to this policy.

**Homework:** Homework will be assigned in class and through WeBWorK. Homework due dates will be clearly indicated, and late homework will NOT be accepted. Most homework will be due on Thursdays at 10pm.

You are free to work in groups on the homework, but you must write up or post your solutions individually. Cheating will NOT be tolerated.

**Attendance:** Coming to every class during the official academic term is required. Attendance will be taken intermittently and in a variety of ways. This will be included in the "participation" portion of your grade.

**Exams:** There will be three mid-term exams and a final exam, as indicated here.

All students must take the exams at the scheduled times.

*Midterms:* Tuesday, September 15; Tuesday, October 13; and Tuesday, November 10.

*Final:* Scheduled by the registrar for Monday, December 14, 8:00 – 10:00 am.
