Assignments were difficult but with my teacher's help and guidance, I was able to overcome them with great ease.

friendly, unless a student was late...

Great teacher, made a boring class truly interesting. As much as I was dreading this class and seeing it as a complete waste of an hour, Phil made coming to class worthwhile. Good teacher, very fair grader, very knowledgeable about Maple and how it works.

He is great but sometimes it's not so cool to show up for an 8 am and only turn something in. Other than the, he did a great job, and I enjoyed it

Mr. Bergonio respected his students time, was helpful, and taught the labs well.

When a teacher is not going to show up for an 8 AM lab, he should inform the class beforehand.
