Great professor that really knows his stuff. I enjoyed coming to class and learning from the material presented. Phil is an excellent teacher.

He is very helpful and I recommend him to all of my friends that have to take a calculus lab. Great class!

He was able to make Maple interesting.

he was very helpful in every aspect of the class

Mr. Bergonio was incredible. He is basically a genius and I would pick him to be my teacher everytime if I could. He always had a smile on his face and the class was actually enjoyable.

Phil is the greatest teacher in western civilization.

Phil was a great instructor. He was always well prepared and always cheerful. IT was always a pleasure to come to his class.

Phil was a great teacher that really helped all the students out when they asked questions or were just totally struggling.

Phil was basically the best teacher a student could ask for, besides being a Maple God.

Phil was great and always made sure that I wasn't lost. He always answered all my questions and showed patience with me when I was having trouble, which was most of the time. He was always nice and had a great attitude.

This professor was very smart and helpful in this class. He was very respectful to all of his students.
